

Thank you for considering Gorat's Steak House for your event. We are pleased to have the opportunity to share in your special occasion.

We have individual rooms that seat 25, 35 and 50 that can be combined in a number of ways to accommodate various sized functions. There is no charge for room rental or set up, however depending on the event, there may be minimum purchase requirements. Menu options vary from ordering off our regular menu to full buffet service. For groups of 30 or more (20 or more on the weekend) we do require a custom menu of 3 - 5 entrée items. This menu is personalized for the event and placed at each guest's seat.
